

HEBA ABDELKREEM

Full Stack JavaScript Developer | MERN Stack Specialist

+201279123431 • hebaabdelkreem243@gmail.com • [linkedin.com/in/heba-abd-el-hady](https://www.linkedin.com/in/heba-abd-el-hady) • Alexandria, Egypt

SUMMARY

Results-driven Full Stack JavaScript Developer with 2+ years of experience designing and delivering scalable MERN stack applications. Proficient in React.js, Next.js, Node.js, Express.js, and MongoDB, with a strong command of RESTful API integration, JWT authentication, and performance optimization techniques. Combines a Chemistry background with technical expertise to build high-performance, user-centric solutions—particularly in chemical and pharmaceutical domains. Committed to clean code practices, Agile methodologies, and scalable system architecture.

EXPERIENCE

React Developer Trainee

Feb 2026 – Present

Digilians – Digital Pioneers Initiative | Remote, Egypt

- Improved application performance by 20% through strategic implementation of Next.js SSR and CSR rendering patterns.
- Architected scalable Redux-based state management solutions, reducing unnecessary component re-renders by 15%.
- Built a reusable UI component library of 30+ components using Tailwind CSS, ensuring full cross-browser consistency.
- Enhanced API data responsiveness by 25% through optimized RESTful API integration and efficient async/await patterns.
- Participated in Agile sprint cycles, code reviews, and Git-based workflows, maintaining 95% clean code compliance.

Freelance Full Stack Developer

Aug 2024 – Present

Freelance Yard & Various Clients | Remote, Egypt

- Increased user engagement by 25% by developing mobile-first, conversion-optimized React.js interfaces.
- Delivered 2 production-grade MERN stack applications featuring JWT-based authentication and role-based authorization.
- Built SEO-friendly, WCAG-compliant layouts using Semantic HTML5 standards, improving accessibility and search visibility.
- Managed 5+ parallel client projects concurrently using Agile methodologies, achieving a 100% on-time delivery rate.
- Maintained 99% application uptime through proactive monitoring and robust backend architecture.

Web Design Intern

Jul 2023 – Jul 2023

National Telecommunication Institute (NTI) | Damanhur, Egypt

- Designed and developed 10+ responsive web pages using HTML5, CSS3, and Bootstrap framework.
- Accelerated UI-to-development handoff by 30% through delivery of 15+ high-fidelity, annotated Figma mockups.
- Completed 3 project milestones on schedule within a collaborative Agile team environment.

PROJECTS

Cosmetic Chemistry Service Portal

Jan 2025

- Designed and built an interactive service platform tailored for cosmetic chemistry solutions using React.js and Node.js.
- Boosted user engagement by 25% through intuitive navigation design, strategic CTAs, and performance-optimized page loads.
- Integrated RESTful APIs for dynamic content delivery, ensuring seamless service discovery and client interaction.

E-Commerce Web Application

Jan 2024

- Built a scalable MERN stack backend architecture capable of managing 100+ inventory items with real-time updates.
- Implemented secure JWT-based authentication, session management, and role-based access control.
- Delivered a fully responsive, cross-device UI using Tailwind CSS with Lighthouse performance score of 90+.
-

SKILLS

Frontend	React.js, Next.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Bootstrap, Redux.
Backend	Node.js, Express.js, MongoDB, RESTful APIs, JWT Authentication.
Tools & DevOps	Git, GitHub, VS Code, Figma, Agile / Scrum, Responsive Design.
Soft Skills	Time Management, Cross-functional Collaboration, Client Communication, Problem Solving.

EDUCATION

Bachelor of Science

Alexandria University | Alexandria, Egypt

Aug 2019 – Aug 2023

CERTIFICATIONS & TRAINING

- Responsive Web Design Certification – free Code Camp
- Web Design Internship Certificate – Creative Agency

LANGUAGES

Arabic: Native **English:** Professional Working Proficiency
